### **Purpose**

The Stanley C. Israel Regional Award recognizes individuals and/or institutions who have advanced diversity in the chemical sciences and significantly stimulated or fostered activities that promote inclusiveness within the region.

### **Nature**

The award consists of a medal and a \$1,000 grant to support and further the activities for which the award was made. The award also will include funding to cover the recipient's travel expenses to the ACS regional meeting at which the award will be presented.

### **Eligibility**

Nominees may come from academia, industry, government, or independent entities, and may also be organizations, including ACS Local Sections and Divisions. The nominee must have created and fostered ongoing programs or activities that result in increased numbers of persons from diverse and underrepresented minority groups, persons with disabilities, or women who participate in the chemical enterprise.

### **Apply**

The deadline dates for receipt of nominations is AUGUST 1, 2011. [Apply online](#)

The nomination package must include:

- A letter of nomination
- A CV or resume containing relevant diversity promotion activities and factual data on outcomes
- At least one, but no more than three supportive letters, one of which must come from the nominee's ACS Local Section. Mailing address, phone number(s), and e-mail address of nominee/supporter must be provided
